

Dear Parents:

Welcome to March!!! I can't believe PTC, St. Patrick's Day, and Easter are coming up so soon. Time really fly's! Information regarding PTC should be coming out soon. I haven't received anything from the office yet but will send home as soon as I do.

March is reading month. The theme this year is "Reading Rocks". The calendar of special events has already been sent home. The children love filling out the pink musical notes for the story's they read. They will all be hung up in the sun dome for all to see.

The children will be coming to the "I Know Zone" to show me all that they know over the next week. There is a lot to assess so I will not be able to call your child to "Book Worm". Please continue to have your child read them to you at home. Please ask questions about what happened at the beginning, middle, and end of the story. Ask your child to retell the story to you in their own words. These are very important reading and comprehension skills.

Thanks for all of your support and see you at conferences.

Mrs. Osborne
